No. 176

Quotabl-E

Water is a finite resource that is essential in the advancement of agriculture, and is vital to human life.

- *Jim Costa*

From the District Operations Manual

A decision by the district board to conduct any step in the deliberation process outside of the public forum must weigh the public interest in the right to know against any potential harm that could result from open deliberation.

From the AACD Bylaws

This association was incorporated as a non-profit corporation by the state of Alaska, Department of Commerce and Economic Development, on January 2, 1998. (see By-Laws 1.20)

Since May 2004
