No. 166

Quotabl-E

Mission of the USDA Forest Service Conservation Education Program: "To connect people to the land by providing them with the tools they need to take informed actions related to sustaining natural and cultural resources."

News

- The contact at DNR is Shana Joy. Here email address is shana.joy@alaska.gov. Deputy Commissioner Richard LeFebvre is responsible for conservation district business for DNR. Mr. LeFebvre can be reached at the commissioner's office in Anchorage, at 269-8431, or by email at Richard.Lefebvre@alaska.gov.
- Job Opening: The Mid Yukon District is advertising an opening for a District Manager position. The position will be located in Aniak. The announcement can be found at the Alaska Job Service web site. Job closes Oct. 11.
- Job Opening: The Association is advertising an opening for a half-time Office Assistant. The announcement can be found at the Alaska Job Service web site. Job closes Oct. 3.
- Job Opening: The Wasilla District is advertising an opening for a Project Coordinator position. The announcement can be found at the Alaska Job Service web site. Job closes Oct. 31.
- The first Alaska Invasive Species Working Group Conference will be held in Fairbanks November 13th.
- Quarterly reports for the AACD Invasive Plant Program grants are due October 15th.
- Some comments have been made that the training for board members at the Fall AACD conference is only for the AACD Board. That is not accurate. The training is for District Supervisors. The Board training will be appropriate for local district, elected boards as well as the AACD Board.
- A meeting was recently held with the Assistant Superintendent for Instruction at the Mat-Su Borough School District regarding the Envirothon. He has offered his help and will carry the Envirothon program to borough schools. He has set a goal to see the creation of four teams.

Raising Our EQ

Basic policies of AACD: Bylaw 3.10 F. To work impartially with private and public organizations and groups of all political affiliations to promote the conservation of natural resources.
